ENROLLMENT SCHEDULE

It is required for all children enrolled to have a set schedule. Below is a definition of the different available schedules. Please check the program, and if applicable, circle the days you are registering for.

Full Time and Part Time Schedule's

Full Time: Full time enrollment is considered 5 days of care each week, and reserves a spot for your child during all hours of operation.

Part Time: Part-time enrollment allows your child to attend full days, less than 5 days a week. If you choose a part time schedule, we require that you commit to a weekly schedule so that we may arrange for adequate staffing and supplies. If a holiday or your child is ill on one of their scheduled days, tuition will NOT be discounted. Your child may attend an additional or alternate day when available, however, you will be charged for the day(s). Four Square desires part time schedules to consist of 3-4 days a week, however, will provide families with 1 to 2 day schedules until a classroom can no longer accommodate it. At that time you will be given the option of enrolling to a three day part time set schedule. In addition, children coming 1-2 days for full day care will pay more per day, than children who come 3-4 days.

Please check the program, as well as, circle days you are registering for.
